# League Guidelines

## 1. GENERAL INFORMATION

Our aim is to provide high quality inter-school fixtures in a wide range of sports. The league structure has been organised in a way that simplifies the organisation. The advantages of this system will reduce the number of phone calls, arranging and confirming fixtures. All schools are encouraged to commit to all fixtures listed in this booklet. Results will be recorded by the New Forest School Sport Partnership and published onto the website... [www.nfssp.co.uk](http://www.nfssp.co.uk)

## 2. MANAGEMENT

The Management of the competition will be under the auspices of the New Forest School Sport Partnership, based at Testwood Sports College, who will oversee the general running of the competition and its publicity and promotion.

## 3. ELIGIBILITY

Schools are not permitted to play a pupil up in any year group for any sport, unless extenuating circumstances apply (i.e. a school cannot field a team with enough players). Schools must contact the Sports Partnership with any request to play a player up in a sport.

## 4. AGE GROUPS

**U12:** under the age of 12 on 01/09/11

**U13:** under the age of 13 on 01/09/11

**U14:** under the age of 14 on 01/09/11

**U15:** under the age of 15 on 01/09/11

**U16:** under the age of 16 on 01/09/11

## 5. LEAGUE POINTS SYSTEM

Once a fixture has been played it is the responsibility of the winning team to inform Rob Crocker of the result by the Monday of the following week, preferably via email on [crockerr@testwood.hants.sch.uk](mailto:crockerr@testwood.hants.sch.uk) or the website.

3 points for a win

2 points for a draw

1 point for a loss

0 points for failure to turn up

## 6. POSTPONEMENT OR ABANDONMENT

If a fixture has to be cancelled, they should ideally be cancelled by lunchtime, 1pm, on matchdays. Reasons for cancelling a fixture can include:

1- staff availability

2- inclement weather

3- bad light

4- unplayable surface

It is the responsibility of both schools to rearrange the fixture for the next convenient date.

If a match is postponed under one or more of the above extenuating circumstances and it is mutually impossible to rearrange the fixture(s) then two points will be shared (one point each).

If a fixture is cancelled for non-extenuating reasons then the cancelling team will concede the game and a win will be awarded to the opposition.

## 7. FAILURE TO HONOUR A FIXTURE

A team who fail to honour a fixture shall receive 0 points for that fixture and a win shall be awarded to the opposition.

## 8. WEBSITE INFORMATION

Results, Leagues and Festival information will be published each week on the Partnership website at [www.nfssp.co.uk](http://www.nfssp.co.uk). These will be published under the secondary competition section of the website.

## Boys Basketball

All matches should be played 4 x 10 minute periods

Rolling substitutions are allowed in all league fixtures

Schools must adopt the ESBBA guideline on full-court pressure defence for the Under 16 league and half-court pressure defence in the Under 14 league.

Teams should not use full-court pressure defence to demoralise teams that are already clearly beaten. As a rough guideline we recommend a 25-30 point margin as indicating a significant difference in the abilities of the teams; to continue to press in those circumstances serves no purpose, other than demoralise the opposition, to the detriment of the game

The first period begins when the ball is legally tapped by a jumper on the jump ball. All other periods begin when the ball touches or is legally touched by a player on the playing court after the throw-in

Teams shall exchange baskets for the second half

A player shall not remain in the opponents' restricted area for more than three consecutive seconds while his team is in control of a live ball in the frontcourt and the game clock is running

Whenever a player gains control of a live ball in his backcourt, his team must cause the ball to go into its frontcourt within eight seconds

Whenever a player gains control of a live ball on the playing court, his team must attempt a shot for a field goal within twenty-four seconds

Teams shall be entitled to one time-out in each ten minute period (Each time-out shall last one minute). Only a coach or assistant coach has the right to request a time-out

A substituted player may replace another player. However, no substitutions are allowed in the first quarter, except to replace a player who is injured, disqualified or has committed five fouls.

# Netball

All matches should be played 4 x 10 minute periods (league only)

**All teams must bring an umpire or inform the opposition so they can re-arrange a second umpire**

Rolling substitutions are allowed in all league fixtures

League decided on (a) most points; (b) goal difference; (c) goals scored; (d) head-to-head

(This system will also apply for all the festivals)

# Rugby

It is the home teams responsibility to provide referees, unless a pre-arranged agreement exists
